

What About Us

One Voice Children's Choir

We are searchlights, we can see in the dark

We are rockets pointing up at the stars

We are billions of beautiful hearts (ah, ah, ah, ah, ah)

And you sold us down the river too far (far)

What about us?

What about all the times you said you had the answers?

What about us?

What about all the broken happy-ever-afters?

What about us?

What about all the plans that ended in disaster

What about love? (What about)

What about trust?

What about us?

We are problems that want to be solved

We are children that need to be loved (we need love)

We were willing, we came when you called (ah, ah, ah, ah, ah)

But man you fooled us, enough is enough, oh

What about us?

What about all the times you said you had the answers?

What about us?

What about all the broken happy-ever-afters?

What about us?

What about all the plans that ended in disaster? Ooh, ooh, ooh

What about love? (What about)

What about trust

What about us

Sticks and stones, they may break these bones

But then I'll be ready

Are you ready?

It's the start of us waking up come on
Are you ready?
I'll be ready

I don't want control
I want to let go
Are you ready?
I'll be ready
'Cause now it's time to let them know
What about us?

What about all the times you said you had the answers? (all the times
you said you had the answers)

What about us?

What about all the broken happy-ever-afters? (happy-ever-afters)

What about us?

What about all the plans that ended in disaster?

What about love (What about)

What about trust?

What about us?

Ooh, what about love? (What about)

What about trust?

What about us?

What about love? (What about)

What about trust?

What about us?
