

Diamonds

Shine bright like a diamond

Shine bright like a diamond

Find light in the beautiful sea

I choose to be happy

You and I, you and I

We're like diamonds in the sky (hold note)

You're a shooting star I see

A vision of beauty (beauty)

When your near me, (near me) I'm alive

We're like diamonds in the sky

I knew that we'd become one right away

Oh, right away (oh, right away)

At first sight I felt the energy of sun rays (echo)

I saw the life inside your eyes (hold)

Shine bright tonight, tonight you and I (you and I)

We're beautiful like diamonds in the sky

Eye to eye, so alive (so alive)

We're beautiful like diamonds in the sky

Shine bright like a diamond (harmonies)

Shine bright like a diamond

Shine bright like a diamond

Shine bright like a diamond

We're beautiful like diamonds in the sky

Shine bright tonight

Shine bright like a diamond

Shine bright like a diamond

We're beautiful like diamonds in the sky
