From the Deputy Principals & Principal

This term at North Kalgoorlie Primary has been full to the brim with learning, growth, and a packed calendar of whole-school events. From assemblies and Book Week, numeracy day and sports carnivals and special activities, our students and staff have rallied together to make it all happen. It's been a joy to see everyone so involved, and we couldn't be prouder of what we've accomplished as a community.

With so many things pulling us in different directions, it's easy to feel worn out as the end of term approaches. But even as routines get stretched and attention starts to drift, our students have continued to show up, give their best, and support one another. That's no small thing. Every time they arrived on time, put in a genuine effort, or stepped in to help a classmate, they made our school that bit stronger.

We want to recognise just how significant these achievements are. It's not just about ticking events off a calendar. Every whole-school occasion has brought people together, challenged us to try new things, and offered a chance to celebrate what makes North Kalgoorlie Primary so special. Sometimes it's the small moments children encouraging each other during sport, or a classroom coming together to prepare for an assembly that really show the heart of our community.

Of course, as we get closer to the holidays, it's tempting to ease off, but this is when good habits matter most. Resilience isn't only about bouncing back from setbacks it grows in the steady, everyday actions of turning up, getting involved, and finishing what we start. The effort you put in now, even during a long term, is building strength of character that lasts well beyond the classroom.

To our parents and carers, thank you for backing your children and the school, keeping routines in place, and helping us keep a sharp focus on learning and kindness right through to the very end. Your support gives our students the confidence to stick with it and makes all the difference.

If you notice your child showing persistence, lending a hand, or taking pride in their participation no matter how small please let them know you've noticed. These are the habits that help us all grow stronger, not just in school but in life. As an Admin team, we are proud, proud of every student, every staff member, and each supportive family who's helped make this such a positive term. We look forward to seeing all of you at open night on the 15th of September. Let's finish as we started: together, with focus, and with the warmth and energy that sets North Kalgoorlie Primary apart.
