## End of Year Concert

Next Tuesday is the BIG EVENT, kicking off at 6pm. Year groups have been busily practising their performance, based around the theme of 'Music Through the Decades' ( I did request we stick to 70's and 80's because music fell in a great big hole after these years, but alas, nobody listened...). In the event of foul weather ruining the night, then the back up plan is for the concert to take place at 9am the following morning on the school basketball court.

## School Opening Time 2024

Our school day officially commences at 8.35am. As the days get warmer, I'm finding a number of children arriving well before 8am, creating a duty of care issue, with staff having to put on hold daily preparation to supervise. From the beginning of the new school year, school gates will be opened at 8.05am, so children will not be able to enter prior to this time. This still leaves ample time to catch up with friends and play before the day commences.

## The Year That Was...

While the large chunk of the primary school year is dedicated to learning to read write and count, we're also about creating lifetime memories. In today's insert, you can see but some of the events children cherish and remember.

## Congratulate and Celebrate

Congratulations to our ex NKPS student Tess Rowling on winning the 2024 Goldfields Sport Star of the Year Award. We are all so proud of you!!

## Congratulate and Celebrate

On Friday 10th November, KBULG Reduce, Reuse, Recycle Art Competition winners were announced. Sophia Trunfio won Junior (13 & Under) Individual category and Tommy Allen won in the 2D Poster/ Collage Category. Sophia and Tommy completed these artworks as part of the PEAC Program. Exhibit is open for the next 2 weeks at the Goldfields Museum.

On Saturday 4th & Sunday 5th Nov, Ollie Allen, Quinn Stockdale, Seb Allen, Tyler Stewart, Eliza Butler, Ari Karlsson, Tommy Allen and Paul Butler performed in the Rep Club Youth Theatre performances of Peter Pan & Aladdin.

Well done to everyone involved.

## Faction Captain News

With this being the last newsletter for 2023, I would like to take the time to thank the Faction Captains for their time, effort and energy throughout the year! I have appreciated having the extra sets of hands during setup, pack away and during the carnivals this year!

Good luck in high school in 2024!

-Miss Jackson

## Student Council Corner

Welcome to the last Student Councillor Corner 2023, can you believe it?!

We would just like to say a big thank you to all of the teachers, parents and school community for everything they have done for the last 12 months.

On the last day of school (Thursday, Week 10) at 2:30pm, the Year Six students will be ringing the bell. Additionally, that morning the last assembly for 2023 will be held to celebrate the graduating class of 2023.

Next week Tuesday is the traditional End of Year Concert with the theme being songs through the decades. We know the year levels have all been practicing really hard to learn their performances and we cannot wait to see them! Thursday next week is the Year Six Graduation which we are super excited, and a little nervous, for.

We wish the 2024 Year Six cohort the best of luck for next year. Especially for camp, it sounds really scary being away from home but trust us it will be the best time of your primary school memories. Make sure to bring lots of energy to camp. You'll need when running up and down the sand dune!

To the student leaders of 2024, we wish you the best of luck and know that you will do a great job of leading the school after the amazing speeches you prepared this term.

We wish you all a very Merry Christmas and a Happy New Year, stay safe over the holidays and get lots of rest!

By Molly Fitzpatrick and Sebastian Allen.

Joke:

Q. Why do mummies enjoy Christmas?

A. Because of all the wrapping
