From the Principal

How good is our P&C? Their efforts and organisation in conducting the 'Colour Run' sees the school benefit from many thousands of dollars in fundraising, along with bringing a great deal of joy to school life. Thanks also to the long list of event sponsors.

Our students were real troopers, ploughing on in cold, blustery conditions. In an era where we seem to get caught up in the "busy", we're blessed to have a band of willing and tireless volunteers here to support your child's school. On Friday 22nd May school staff have the opportunity to thank our P&C members, with a special morning tea to commemorate 'P&C Day' during National Volunteers Week.

This fortnight I'd like to highlight a new program that links to a priority in our School Business Plan; being to improve educational outcomes for boys. All of our performance data shows boys underperform. Mr. Piparo has commenced the innovative 'Boys Club' with our Year Six lads. This engagement strategy, sees boys involved in weekly sessions, working on an ongoing construction project, along with some physical activity and discussion circles centered around the North Kal values of "Kindness, Consideration & Service to Others." To conclude the program, fathers will be invited to join in on a presentation of the construction project.

Miss. Kayla Liu commenced with us last week in the role of Japanese teacher for Years 3-6, replacing Mrs. Gemma Abbott. I'd like to welcome Kayla aboard and thank Gemma for her service in 2025 and this year.

1 or 2 days a week doesn't seem much but.....

| If your child misses.... | That equals.... | Which is.... | and over 13 years of schooling that's.... |
|--------------------------|-------------------|-------------------|---|
| 1 day per fortnight | 20 days per year | 4 weeks per year | nearly 1.5 years |
| 1 day per week | 40 days per year | 8 weeks per year | over 2.5 years |
| 2 days per week | 80 days per year | 16 weeks per year | over 5 years |
| 3 days per week | 120 days per year | 24 weeks per year | nearly 8 years |

How about 10 minutes late a day? Surely that wont affect my child?

| He/She is only Missing just.... | That equals.... | Which is..... | & over 13 years of schooling that's |
|---------------------------------|---------------------|---------------------------|-------------------------------------|
| 10 mins per day | 50 mins per week | nearly 1.5 weeks per year | nearly .5 year |
| 20 mins per day | 1hr 40mins per week | over 2.5 weeks per year | nearly 1 year |
| 30 mins per day | Half a day per week | 4 weeks per year | nearly 1.5 years |
| 1 hour per day | 1 day per week | 8 weeks per year | over 2.5 years |

Every Day Counts

Student Council Corner

Welcome to Week 4 everyone! Hopefully it has been a nice start to the term for everyone. We've had a busy two weeks!

We had the colour run on Friday the 1st of May. It was a blast even though it was a bit cold, but we survived and had fun doing it!

Congratulations to the students that got to slime teachers while raising money! It was a one-of-a-kind memory so thank you to all involved.

We had the mother's day stall in the hall last week and sold out by Friday! Thank you to the people who bought something and supported the stall!

Blue Letter Winners:

Hallee Hamilton, Harvey Sheridan, and Margot Day

Joke of the week:

"Knock Knock"
"Who's there?"
"Ach"
"Ach-Who?"
"Bless You"

Your Facilitator

Candice Brown has worked for more than 25 years as a teacher, principal, coach, consultant and university lecturer. She believes a restorative school culture will impact student and staff achievements positively.

Most recently she has worked as principal in complex rural environments where she focuses on transforming lives and building identity. She works with stakeholders across the school community to enhance the teaching and learning environment using restorative practices and inclusive approaches. Connection with the local community is really important to her.

How do we ensure North Kalgoorlie PS teachers and parents are on the same page?

How do we work together to mould young people for today and tomorrow?

How can we use the same strategies to manage behaviour, encourage responsibility, and improve the chances of success?

They seem like outrageously big questions, don't they? And they are... but they do have answers. Unfortunately, too often parents and schools are not on the same page when it comes to answering them.

North Kalgoorlie PS want to do something about that, and has commenced a partnership with Real Schools to make it happen. But the school can't do it alone. That's why we need you at this critical event in the history of your school and the future of your children.

<https://youtu.be/3y3HBA51wLw>

During the session, we will:

- Tell you all about the Restorative Practices Partnership that the school is embarking on.
- Ask for your input.
- Provide you with strategies to use immediately in your parenting ... the same strategies your teachers are using now.
- Learn how to respond, rather than react, to your child's behaviour.
- Share the best ways to build a meaningful partnership with your school.
