

Funtime Lunchtime

Last Friday our school held its annual FunTime Lunchtime event. There were a variety of stalls to buy from which included a lucky dip, lighthouse nightlights, slime, wooden crafts, chopsticks, Xmas decorations, worry dolls, wind chimes, bookmarks and much more. The students could also visit a haunted house, try their hand at sponge throwing and ping pong water toss.

Thank you to all our staff, parents and students for all your hard work in making this event such a success.

We raised \$4930.45 to go towards Year 6 Graduation and end of year activities for the whole school.

From the Principal

Following FUNTIME LUNCHTIME, I received a number of comments from parents and staff regarding the level of responsibility and enthusiasm displayed by our Year Six students. It was heartening to see them all embracing their roles at various stalls, and taking moments to consider the needs and wants of our younger students. This continued into a collective willingness to pack away and clean up in the aftermath - well done all!

The attitude of responsibility flowed into this week, with a high number of our Year Five students making their pitch for 2026 leadership positions in front of their peers and family members. Public speaking can be a daunting prospect, even for many an adult, and school life should expose children to these “uncomfortable moments.”

Soon teachers will be meeting for the purpose of planning 2026 class lists. They will endeavour to balance classes, taking into account academic and social-emotional needs. I am unable to take into account family requests for children to be allocated certain teachers. If you are leaving North Kal at the end of the year, please contact Erin at the front office, as this will assist with planning.

Regional Inspiring Girls Forum

On Wednesday, some of our year six students attended the Regional Inspiring Girls Forum. This fantastic opportunity provided career awareness and future possibilities for women in regional communities. Thank you to Miss Gurney for accompanying these young ladies. We are so glad you all had an amazing time and came away feeling inspired.
