From the Principal

Western Australian public schools undergo a review every three years, to keep us accountable for delivering a quality education. Tomorrow the 'Public School Review' team will visit our school and conduct interviews with a range of school staff, students and parent representatives. The review measures six categories: Relationships & Partnerships, Learning Environment, Leadership, Teaching Quality, Use of Resources and Student Progress & Achievement. We also contribute by performing a self assessment and identifying plans for The outcome of this review will be made available on our website, either later this year or the beginning of 2026.

Week six will see our Year Five students making their public pitch for Student Council and Faction Captain elections. They will present their speeches to an audience of Year Four and Five students and families. Considerable preparation is put into these speeches, both in class time and on the home front. If your child is presenting then we'd love to see you there, and so will your child (even if they tell you not to come!)

The other week I had the pleasure of attending a graduation event for Year 12 John Paul College students, including my son, James. It gave me a chance to meet a number of former North Kal kids, and hear of their intentions in the coming years. Moments like these remind me of the joy working in education brings.

Faction Captain News

Last Friday the Year 6s travelled to the Summer lightning carnival, which included Tennis, Cricket, T-Ball and Basketball. They all tried their hardest and succeeded with Cricket, Tennis and T-Ball all coming first. While Basketball came a very close third.

The weather is finally starting to warm back up, so it's time for a reminder to bring your hat to school every day. You will need it for outside play during recess and lunch, as well as during sport.

Student Council Corner

Start saving your pocket money for funtime lunchtime next week, as classrooms have been really busy. Well done to everyone for all your hard work to make this day a success.

Good luck to the Year 5's who have their speeches for the 2026 Student Councillor and Faction Captain roles next week.

Blue Letter Winners:

Eden Alexander, Khari Ibana and Sweena Harikesavan.

Wedgie Award: Caitlin Collins

Puzzle of the Week: What has keys but no locks, space but no room and a mouse but no cat.

Answer: A Keyboard.

Summer Lightning Carnival

Last week the Year 6's with some fabulous Year 5's participated in the annual Summer Lightning Carnival. The students competed in Tennis, Cricket, T-Ball and Basketball.

The students should all be very proud of themselves for the effort they all put in. We had some great results.
